

**TABLE OF CONTENTS**

Principles of seed harvesting and processing.....	3
Seed harvesting and extraction.....	3
Harvesting.....	3
Dry seed processing .....	3
Wet seed processing.....	4
Seed processing and handling.....	6
Threshing equipment .....	6
Seed cleaning equipment (seed screens) .....	6
Winnowing equipment .....	7
Seed drying.....	8
Principles of drying.....	8
Drying seeds for long-term storage.....	8
Instructions for drying seed with silica gel .....	9
Seed storage..	9
Effect of temperature on seed longevity .....	9
Effect of seed moisture and humidity on seed longevity .....	9
Relationship between relative humidity and seed moisture content.....	10
Determining seed moisture content .....	10
Relationship between temperature and moisture on seed longevity.....	11
Illumination.....	11
Respiration and heating.....	11
Effects of fungi, bacteria, and pests on seed storage.....	12
Variety and harvest conditions .....	12
Seed moisture levels required for long-term seed storage.....	12
Packaging materials and containers for seed storage .....	14
Seed longevity.....	15
Relationship between viability and vigor .....	15
Expected life span of stored seed.....	17
Seed dormancy .....	17
Federal and state seed laws.....	18
Seed treatments .....	19
Germination testing .....	19
Basic procedures for doing your own tests .....	19
Testing by laboratories .....	20
Germination enhancement techniques .....	20
Mixing seed lots of the same variety.....	20
Additional seed processing.....	20
Brief microwave treatment.....	21
Other techniques.....	21
Seed statistics.....	21
Labeling and record keeping .....	22
Shipping seeds.....	22
Prior to shipment .....	22
Containers for shipping.....	22
Appendix A: Hot water treatment times (in minutes) for vegetable seed.....	23
Appendix B: Vegetable seed data, germination information, and federal standards .....	24
Appendix C: Basic seed cleaning equipment.....	25
Sources of supplies and equipment.....	26
Selected bibliography and literature cited.....	26
Copyright and distribution license .....	28
